Hi Lorena and Danny,

I hope all is well and we have not met to discuss getting the Red Kiosks up-and-running along the waterfront for a while although it was on the last PBID agenda. I took the liberty to draw out a map on where (more-or-less) the kiosks can be laid out. I can get our Construction and Maintenance folks to move these kiosks to their appropriate location as long as we have a tenant willing to use them. Please take a look at the map and let me know what you think. Do we have tenants and should I get them moved?

Lorena - you may want to reach out to Yolanda at Sirens - I'm hearing that she would like a presence along the Waterfront by the Iowa. She may have interest in taking one of these kiosk OR she may want a setup similar setup like the person down by the fountain (where she brings her own stuff).

Thanks,
Augie
